This section of the KING manual is all about "Becoming The Best Version Of Yourself" physically. In the pages of Warrior section you will see how I've approached training over the length of my strength training career to deadlift over 700b and run a 4.3 second 40 yard dash, as well as my new approach to training to look and feel your best without running yourself into the ground. In this ...

The Book of Kings was originally one book that was later divided into I Kings and II Kings. The division into two books is first found in the Greek Septuagint translation of the Old Testament, where it is combined with the books of Samuel into a single four-part composition. The division of Kings into two books was later copied by St. Jerome in the Latin Vulgate, and this division continues in ...
